About us

WishClick provides ideas and services to help shoppers discover creative gifts beyond the ordinary. WishClick is the perfect place to: shop for imaginative, intriguing, and inspiring gifts, share your gift wishes with friends and family, and to give special gifts conveniently online. With leading retailers, member wish lists, and outstanding gift ideas in one place, WishClick makes gift giving and gift shopping easy. We partner with top-brand retailers to provide gift services on their sites through the WishClick Partner Network. WishClick--Gifts That Click!

History

In 1998, WishClick founder Scott Sangster woke up with a holiday gift hangover. Many of the presents he opened the morning before were things he would send to the garage or return. He also felt uncertain about the gifts he had spent time and money selecting and sending around the country to family and friends. This experience inspired Scott to find a way to take the stress and frustration out of gift shopping, allowing consumers to shop with more fun, confidence and convenience. Scott united a team of ambitious, talented employees to build a comprehensive gift solution - WishClick. WishClick offers a suite of personal gift services to help consumers give and receive the right gifts with greater convenience and confidence.

WishClick features include:

- Find great gift ideas for others by peeking at their Wish Lists, using WishClick's Recommendation Center, Shopping Guide or your Idea List
- Never miss a special day when you use WishClick's calendar and reminder services
- Share your Wish List so friends and family can easily find great gift ideas for you
- Register once with WishClick and shop at all of our partner retail sites and beyond
- More services to be implemented throughout 2000

WishClick is based in Foster City, California, and is funded by private and institutional investors including eCompanies and Mentor Venture Partners.

Welcome to Felicite.com. Our name means "congratulations" in French. Our mission is to provide you with a place on-line where you can celebrate happy moments in life with friends and family. We provide you with a personal web page, a universal wedding or gift registry, an on-line photo album, an automated RSVP service, and other services -- all for free.

Our wedding and gift registry is different than other gift registries because **we allow you to register any gift, from any store, for any occasion.** You can even register cash gifts like a donation to charity, stocks, or a college fund. Now you can have one wedding and gift registry where you can register all your gifts, and use it for every gift giving occasions (e.g., wedding, babies, birthdays, holidays, graduation, house warming, etc.)

We also allow guests to buy the whole gift or a part of it.

This means you can register an expensive gift and have your friends share the cost. Our customers have registered such gifts as furniture, computers, and major appliances.

Our wedding and gift registry works like an on-line exchange. Once a gift is purchased, we'll find a merchant who can supply the gift. If a gift is unavailable, we'll send you cash or a gift certificate.

For your guests who are not on-line, we also have a 24 hour toll-free number (1-877-FELICITE) that they can call to place their order.

To register click here. If you have any questions, feel free to email Felicite.com at info@felicite.com
